- 1) Jensen property, 2212 Hickory. Drainage problem and tree felling. Gonzales Landscaping has completed the work and also removed old fencing behind the O'Donnell's property at 2216 Hickory.
- 2) Painting Parkside sign at entrance completed.
- 3) Garage sale was held on August 15. 7 families participated. Should we make this an annual event?
- 4) Tree removal at O'Donnells, 2216 Hickory Drive. Board has viewed the four trees in question. Decision about removal will be made after arborist reports have been submitted to the Board.

New Business

- 1) Picnic is still scheduled for September 12 but due to the shortage of volunteers we may skip it this year.
- 2) In compliance with the City's request that homeowners reduced their water usage we will reduce watering by 40% at the entrance to Parkside for the remainder of the summer. We will also stop watering as soon as the fall rains begin.
