Old Business

Front Entrance

Vince Rota will be the liaison to Simply Yards for landscape questions/issues. A work party will be put together to clean the brick and sign at the front entrance. After consulting a mason, the brick will be repaired without power washing. Power washing could cause more damage than good. The Board approved repairs to the light structure brickwork. The bricks were repaired. Cleaning will be deferred to next spring. Item closed

Photinia at Front Entrance

The Photinia at the front entrance are overgrown and interfere with lawn maintenance. The Board members will review for the next meeting. The Board will organize a work party to remove the most intrusive plants this fall.

Replanting the Mailbox Areas

Otto Luyken Laurel was proposed for the Mailbox areas. It was agreed to replant this fall. If Homeowners are interested in "adopting" and maintaining an area, please contact a Board member. Forty (1) gallon plants will be purchased.

Parkside Recommended Service List

The board agreed that the website Parkside98221.com can include reviews from residents about service providers as long as there is a volunteer to administer the website. If a Homeowner is interested in volunteering, please let a Board member know.

Parkside Website Software Upgrade

The Board agreed to redesign the website. Activities will start in the fall with a target date of March, 2011 for bringing it on-line.

Fireworks over Parkside

The homeowner on Havekost Avenue that has used illegal fireworks and launched them over the forestlands on the perimeter of Parkside stated that she plans to continue. The POA Board is escalating the issue with the county Sheriff, City fire marshal, and other officials.

The Board will seek the support of more Parkside residents and neighboring associations. Positive support comments were received from more residents. – **Johnson**
